Re: July Monthly Report
Mississippi Republican Party C00084368

Dear Ryan:

Please be advised that we have filed an amended July monthly report (FEC-237016) which supercedes FEC-229415. The expenditures for Entertainment URF Dinner and URF Annual Dinner which were previously filed on Schedule B have been moved to Schedule H4. These expenditures were miscoded. They were strictly fundraisers for the Party only and should have been allocated accordingly. No money was raised nor was a Federal Candidate identified at this fundraiser.

On Schedule H4 the payment for photography was for snapshots taken at our Annual URF Dinner. No Federal Candidate was named or identified at this fundraiser.

The payments for Phone Bank Sustaining Memberships are Party fundraisers only. No Federal Candidate was identified or a part of these phone banks. The payments should have been allocated on schedule H4 as Party fundraisers. This has also been corrected.

Should you have any additional questions please do not hesitate to contact me.

Sincerely yours,

Thomas B. Butchart, Treasurer
